Conrad Bangkok visits “Home of Grace Foundation” to spread the light and warmth of hospitality!

Bangkok, Thailand (24 April 2020) – Conrad Bangkok’s team led by Hotel Manager Mr. Bobby Shankar visited the “Home of Grace Foundation” to share donations from our entire hotel team.

Home of Grace Foundation is a part of the Lutheran Christian Foundation of Thailand, which helps underprivileged people in Thailand, and focuses on helping displaced pregnant women in need of shelter and support.

Conrad Bangkok donated essential goods for women and newborn babies including dried food, diapers, and detergent, so they do not need to risk going out to find these items on their own. Together, we shall get through this unprecedented situation by continuing to spread the light and warmth of hospitality within the communities we are part of and giving back to those most in need!
