

Amnesty Club Donates to Community in Need

Fasai (Prin) Pulkes and Sonam Okuda, Presidents of Amnesty Patana Club

Amnesty Patana is a Community Action Club at Bangkok Patana school. One of the club's main goals this year was to make a more substantial impact on our community, as we are a CAT Club primarily based on campaigning to raise awareness. With this goal in mind, we decided to organise a donation to celebrate International Women's Day. Through our incredible associates at Amnesty Thailand, we were able to get in contact with the Association for the Promotion of the Status of Women (APSW), an organisation that not only aims to promote equal rights and justice to those who are victims of forced prostitution, rape, mental abuse, and also has an emergency shelter for women and children located in Don Mueang.

To help support APSW, Amnesty Patana club organised a school wide donation, collecting food and items, such as milk, cleaning supplies and essential cooking ingredients, that the shelter requested. Many families helped by donating and Amnesty Patana managed to collect 34 boxes of donation items.

Bangkok Patana staff ensured that the donations were delivered to APSW in a safe and careful manner.
